You will be transferred to our boats from where you will enjoy a journey of exploration to our first camp whilst game watching, birding, photography or just relaxing onboard taking in the magnificent views of the Okavango Delta. Lunch will be served on one of the many islands along the way. You will arrive in the late afternoon at your private classic tented camp nestled between dense trees. Enjoy a sundowner cruise on a palm-framed lagoon.

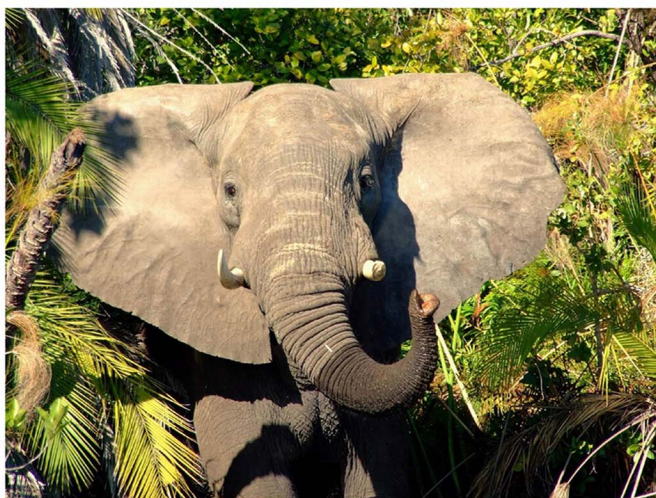

Day 2: In the mornings coffee and tea is served with rusks, cereals, fruit and yoghurt before departing for a game walk on the island. A cooked breakfast will be served on your return. You will board the boats mid-morning for your journey of exploration to our next camp in one of the most spectacular areas of the Okavango Delta. In this area, the Delta opens up with vast landscapes and more opportunities for encountering big game. **Day 3:** We will use the day to explore the surrounding areas in the heart of the Okavango Delta before returning to a cooked lunch in camp.

Day 4: We will depart on a full day's journey to experience the diversity of the upper reaches of the Okavango Delta which offers a complete contrast of scenery to the previous days. A picnic lunch will be served on a sand bank or on one of the many islands along the way.
